## FBLA National President Mauricio Escobar

“Being National President has been one of the greatest blessings in my life,” Mauricio explains. “**I thank God for giving me this opportunity of a lifetime!**”

With being chapter president, state president, AND national president, Mauricio has absolutely no problem balancing his FBLA positions, personal time, and school. He credits his time management skills that help him prioritize his list of

tasks that needs to be completed.

At this year’s NFLC held in Baltimore, Maryland, Mauricio lead his own workshop that was on communication. **Three tips** from Mauricio’s workshop that will help you communicate effectively is to be **dedicated** to your task, have a great **team**, and always have **enthusiasm**. Mauricio believes that “teamwork is the most important aspect to make anything possible.”

Mauricio plans to continue his success in PBL and run for a leadership position. He leaves us with his *favorite* quote and thanks you for your participation in FBLA. Always remember that “**You are the essential piece, and we can’t imagine us without you!**”
