| Region VI | Colonel Richardson HS | Thursday, February 4, 2010 | Thursday, February 11, 2010 |

We encourage **ALL MEMBERS** to attend their regional conference because we are switching things up this year!

Online testing result will be announced first at the regional conferences.

They will then be released to all advisors following the conference. You can be the first to know by attending your regional conference!

For your enjoyment, workshops will be offered by State Officers and guest speakers while others compete. All together, we can make each regional conference *Simply the Best!*

You should be:

- Studying for your competitive event!
- Coordinating your chapter's transportation plans to and from regionals!
- Putting a calendar event in your phone as a reminder!
