January 20, 2020

Prospective Competitive Event Judge:

The Maryland Chapter of the Future Business Leaders of America will be holding its annual State Leadership Conference at the Renaissance HarborPlace Hotel in Baltimore on Thursday, Friday, and Saturday, March 12 to 14, 2020. At this year's conference, more than 1,400 students from nearly 80 Maryland high schools will be competing in nearly 80 business and business-related objective test and performance competitive events. Event judging takes place on Thursday afternoon, March 12 and Friday, March 13 in the morning and afternoon.

Would you be willing to judge one or more of our 40 performance events this year? If so, please complete the online Judges Response Form (link below) that lists all of the performance events, including the date and time of each event. Also attached is a brief description of each event, the event format, and date/time. If you are able to judge, please rank the event(s) you are willing to judge in order of your preference for the time slot(s) you are available using the online form. Please let us know as soon as possible, but no later than **Friday, February 21, 2020**. You will receive a confirmation of the event(s) you are selected to judge by Monday, March 2, 2020. The Judges Response Form can be found at the link below.

Our student members have worked hard to earn the right to attend this year's State Leadership Conference, and the participation of well-qualified professionals such as you to serve as judges is very important to the success of our conference and the goals of the students. If your schedule permits your participation, please complete the online Judges Response Form with an option to judge one or both days. MD FBLA will provide lunch on Thursday; breakfast and/or lunch on Friday, and pay for parking. And if you know another business professional who would make an excellent judge, please feel free to share this information. We're always excited to have new judges join our conference.

Individual students and teams who place first, second, third and fourth in their events earn the opportunity to compete at the 2020 FBLA National Leadership Conference in late June in Salt Lake City, Utah. Part of our students' success is due to excellent judging teams that come to our conference, and I hope you are able to participate this year.

Sincerely,

Alan
