

**Maryland FBLA
Advisor Update #6
Regional Conference Performance Event Winners Lists
January 20, 2021**

Hello Maryland FBLA Advisors

The Maryland FBLA-PBL Board of Directors is excited to announce the winners of our 16 video performance events. The 16 video performance events have been combined with the winners lists for objective tests and live performance events that were released on January 6. This was done for convenience so that all events are included in one PDF winners list for each region and one Excel document for all regions.

Attached please find winners lists for each region as follows:

- One PDF document for each region; There are a total of five PDFs (one for each region) that contain all event winners (objective test, video performance, and live performance events).
- One spreadsheet that includes results for ALL regions for all events combined into one file so that you can easily filter out your individual chapter's winners.

Congratulations once again to all of our competitors. This has been an especially challenging year and the Board of Directors is proud at how our members rose to the occasion. Also, another extra special thank you to each of you, our advisors, who supported your students and our state chapter in navigating the virtual process this year. We couldn't have done this without you and greatly appreciate your patience as we worked through entirely new processes of operating virtually.

Each chapter will receive electronic competitive event certificates for winners in 1st to 10th place as well as judges' comments from the rating sheets for performance events. We are working hard to get this information to you next week.

A couple of reminders as you review the winners lists and begin to think about the state leadership conference:

1. **The 2021 Maryland FBLA State Leadership Conference will be entirely virtual.** The Board of Directors will release registration and competitive event information, along with the State Officer Application, next week.
2. **For the 43 objective test events, the top 5 winners for each region are eligible to compete at the 2021 State Leadership Conference.** If 1st, 2nd, 3rd, 4th, or 5th place from regionals cannot attend the SLC, 6th place or below are NOT eligible to compete at the SLC.
3. **For the 4 live performance events, the top 3 winners from each region are eligible to compete at the 2021 State Leadership Conference.** If 1st, 2nd, or 3rd place from regionals cannot attend the SLC, the 4th and 5th place at regionals may compete at the SLC. 6th place or below are NOT eligible to compete at the SLC.
4. **For the 16 video performance events, the top 3 winners from each region are eligible to compete at the 2021 State Leadership Conference.** If 1st, 2nd, or 3rd place from regionals cannot attend the SLC, the 4th and 5th place at regionals may compete at the SLC. 6th place or below are NOT eligible to compete at the SLC.
