

**Maryland FBLA
Advisor Update #6
Regional Conference Competitive Event Winners List
January 20, 2022**

Hello Maryland FBLA Advisors

Congratulations to all of our competitors! Also, a special thank you to each of you, our advisors, who supported your students and our state chapter in navigating the virtual process once again this year. As always, you showed amazing leadership and we are very grateful to each of you.

Awards Session Video Links

Thank you to everyone who joined us online for our Regional Conference Awards Session yesterday and to those who have watched it on demand. If you missed it or would like to rewatch the Awards Session, links to the sessions are provided below:

- Region 1 <https://youtu.be/UkMQN0jc0M4>
- Region 2 <https://youtu.be/VzRja861UaU>
- Region 3 https://youtu.be/HnZ_aPRUWfg
- Region 4 <https://youtu.be/wstrJ8aM818>
- Region 5 <https://youtu.be/U7E4tJfqu1U>

Competitive Event Winners Lists

Attached please find winners lists for each region in PDF format and one Excel spreadsheet that contains the results for all regions in one file (you can filter the results so you just see your chapter).

Competitive Event Certificates and Rating Sheets

Each chapter will receive competitive event certificates for winners in 1st to 10th place as well as judges' comments from the rating sheets for performance events. We are working hard to get this information to you next week.

Competency Reports and Student Test Scores for Objective Test Events

Attached please find a one-page instruction sheet on how to run a report from the online testing system for your chapter's students who competed in an objective test event. This report will give you test scores as well as competency reports so you can see what areas (by standards) your students did well in and what areas could use some additional attention as they prepare for testing at the state conference.

1. Begin by logging into the TFI/E-SESS system using the same log-in credentials you used to for regional testing to obtain your students' testing log-in cards: <https://www.techfluency.org/esess/Admin/>
2. Once you are logged in, follow the instructions in the attached PDF to run the competency reports as well as to obtain test scores for your students.
3. PRO TIP! - You can run these reports by individual event and filter by specific student, but if you want to run reports for all your students in one easy step, follow these instructions:

When you get to step 3 ("Select an assessment"), be sure to highlight/select all assessments. The easiest way to do this is to left click on the first one in the list...Accounting I...and then hold the shift key down and scroll down to the last assessment in the list...Word Processing. This will highlight every exam and the report will display all students on one report.

State Leadership Conference

A couple of reminders as you review the winners lists and begin to think about the state leadership conference:

1. We have been working with the hotel and other vendors as we navigate the various school system restrictions and rules regarding out of school trips and travel. **Please stay tuned for an announcement very soon regarding the 2022 State Leadership Conference, including details on registration and competitive events.**
2. For objective test only events, **the top 5 winners for each region are eligible to compete at the 2022 State Leadership Conference.** If 1st, 2nd, 3rd, 4th, or 5th place from regionals cannot attend the SLC, 6th place or below are NOT eligible to compete at the SLC.
3. For events with an objective test and a performance component, **the top 5 winners for each region are eligible to compete at the 2022 State Leadership Conference.** If 1st, 2nd, 3rd, 4th, or 5th place from regionals cannot attend the SLC, 6th place or below are NOT eligible to compete at the SLC.
4. For events with an objective test and a production test component, **the top 5 winners for each region are eligible to compete at the 2022 State Leadership Conference.** If 1st, 2nd, 3rd, 4th, or 5th place from regionals cannot attend the SLC, 6th place or below are NOT eligible to compete at the SLC.
5. For performance only events (those that don't also have an objective test or pre-judged component), **the top 3 winners for each region are eligible to compete at the 2022 State Leadership Conference.** If 1st, 2nd, or 3rd place from regionals cannot attend the SLC, 4th place or below are NOT eligible to compete at the SLC.
6. For pre-judged events and reports that are individual or team events, each chapter may submit **four entries** at the SLC.
7. For chapter report events, each chapter may submit **one entry** at the SLC.

Thank you again for all you do for Maryland FBLA as an advisor! We greatly appreciate you!

David
