

Dear <insert name here>,

Maryland Future Business Leaders of America (FBLA) would like to extend you an invitation to **BE A RESOURCE TO THE NEXT BUSINESS GENERATION** and join the FBLA Professional Division.

FBLA Professional Division is a way to serve and mentor the future businessmen and women who will make an impact in the future.

The Professional Division was founded in 1979 for alumni and industry partners. The Professional Division welcomes and encourages professionals from all industries to join.

Opportunities for Professional Division members include:

- Competitive events
- Mentorship
- Deliver Workshops and Keynote speeches
- Serve as a link between the workplace and the classroom.
- Provide Feedback to and mentor young students
- Judge Competitions
- Network with other professionals
- Take on a leadership role
- Discounts at popular establishments
- Access to Career Center and Membership Directory

As shown, Professional Division members have a broad range of opportunities to serve youth through mentorship, internships, feedback and more, advance his or her career, and receive fantastic perks. Professional Divisions can make lifelong connections and enrich his or her life with a exemplary service opportunity.

To [become a Professional Division member](#) today is simple and will take mere minutes to complete the form and submit dues of \$25.

For more information about the Professional Division, see the attached Presentation and visit the [National Professional Division Homepage](#).

Maryland FBLA hopes you will join the FBLA Professional Division and **Be a Resource to the next Business Generation**.

Feel free to contact me at any time to answer additional questions!

Sincerely,
