Southwest # 1567 Fri	7/03	Chicago / Baltimore	10:00am – 12:55pm	confirmed 60 seats

Please keep in mind that hotel check on your day of arrival is historically slow due to the checking out of PBL and check in of FBLA. Most rooms will not be available until after 5:00pm on your day of arrival. We will do everything possible to help expedite the check in process but it has been our experience that the hotel checks out / checks in large conferences which causes the delay.
