

## **CONNECT: 360 Leadership Experience**

### **Maryland FBLA Rising Leaders Track 2016**

The 360 Leadership Experience targets middle level, 9<sup>th</sup>, and 10<sup>th</sup> grade students that have recently began their FBLA involvement and/or are poised to become future leaders within their local and state chapter. The track will allow students to tackle a series of “Big Questions” which require individual and group thought, leveraging individual strengths, some minor research and utilization of various business related skills to answer. Teams will earn points for individual and group challenges. Between work sessions and challenges, mini workshops will be facilitated to cover information that can be used in future challenges and presentations to the forum. By the end of the 360 Leadership Experience, participants will have gained an understanding or expanded their knowledge of FBLA and the learning objectives below.

#### **Learning Objectives Covered:**

Public Speaking/Presentations  
Team Building  
Creative Problem Solving  
Innovation & Idea Development  
Entrepreneurship

Design/Marketing  
Financial Management Skills  
Goal Setting  
Time Management  
Supply/Resource Procurement

#### **Schedule:**

##### **Thursday**

**Noon-2:45 p.m.**

##### ***Pre-Game***

Participants would be encouraged to attend general leadership workshops geared toward personal growth/development.

**3 p.m.-4:45 p.m.**

##### ***Jumpstart***

An official “Jumpstart” session will be held on Thursday from 3-4:45 to kick start the Track—purpose is to take care of intros, housekeeping items, icebreaker, prep for Friday, create teams and issue an evening challenge that will help them prepare to make the most of Friday’s time.

##### **Friday**

**10:00 a.m. to 3:30 p.m. with one hour lunch break at Noon**

##### ***CONNECT: 360 Leadership Experience***

Attendees should be excited and ready to go based on Thursday’s individual development workshops, Track “Jumpstart” Session and opening session. The students will have already been randomly placed into teams and will continue their 360 leadership experience including mini-workshops, team work sessions, and challenges.
