

Maryland FBLA Speaker Series

The Maryland FBLA State Officer team has gathered the following videos from TEDx Talks.

These videos are for you to expand your knowledge on a variety of career paths that are available to you through our organization, along with the competitive events FBLA has.

The following videos were selected because they each discuss one of seven career paths, correlate the career towards something FBLA related (ex. Business, competitive event topics such as graphic design, how to prepare for your future, etc.) and its association to that particular career.

Over the next few months, we will be developing exclusive videos from Maryland FBLA on a variety of different career paths, to benefit you!

Please enjoy these videos and if you have any feedback contact Hannah Klein at Hannah.klein@mdfbla.org.

Arts
