

# wizards SPORTS CAREER DAY & COLLEGE FAIR

## FRIDAY, DEC. 5

The Washington Wizards Sports Career Day consists of an educational sports business seminar hosted by members of the Wizards management team, a college fair featuring as many as 50 schools from around the country, and a Wizards basketball game. The event is open to all interested students, teachers, administrators, and chaperones, but we especially encourage members of organizations like DECA, FBLA, FCCLA and Business Professionals of America to participate.

### » HERE'S WHAT PAST ATTENDEES HAD TO SAY:

"We had an excellent time - everything was very organized and ran quite efficient. I especially enjoyed the guest speakers, they confirmed everything I've been teaching my students regarding marketing and sales. I honestly believe this trip will strengthen my business program and draw more student interest to our career area."

- Neena R. Burnett (St. Georges Technical H.S.)
